PROFESSIONAL TRAINER CERTIFICATE CHARTERED INSTITUTE OF ENVIRONMENTAL HEALTH (CIEH)

CIEH PROFESSIONAL TRAINERS CERTIFICATE

This 3-day intensive training course is ideal for trainers who need to understand the basics of training practice or those looking to refine their techniques. It is the benchmark qualification for anyone wishing to become a trainer for many qualifications including CIEH registered trainers.

This qualification encourages a flexible approach to training delivery which takes into account recent advances in accelerated learning and neurolinguistic programming (NLP).

Professional Trainer Certificate – Course Outline

1. Matching training to the ability of students
2. Setting SMART training objectives
3. Recognising and accommodating factors influencing learning
4. Understanding student learning preferences
5. Selecting different and diverse training methods
6. Design training sessions by carrying out effective planning and preparation
7. Make training more accessible and interesting to students by using a variety of communication methods
8. Increase personal confidence through practice and feedback in a range of activities
9. Using methods to assess effectiveness of training and measuring results
10. Be able to use feedback and evaluations to ensure a process of continuous improvement
