

# WORKSHOP FOR COMPANY CEO/TOP MANAGEMENT (bizSAFE Level 1)

## Course Overview

The commitment of top management in implementing workplace safety and health measures is crucial to secure the safety as well as to protect the health of all stakeholders exposed to the activities undertaken by the organisation. Central to this commitment is a clearly defined, documented and endorsed Safety and Health Policy statement which expresses the intention to achieve safety and health performance goals of the organisation.

The half day course will equip leaders of organisations with the knowledge to recognise his/her personal responsibilities and liabilities under the WSH Act 2006 and subsidiary legislations, and to learn the basic principles and concepts of managing WSH risks at the workplaces. A key learning outcome is for individual learner to formulate and endorse their organisation's WSH Policy.

## Learning Objectives

Provide understanding of the WSH Act and its subsidiary legislations including Workplace Safety and Health (Risk Management) Regulations and Code of Practice on Workplace Safety and Health Risk Management (RMCP)

- Introduce the concept of bizSAFE
- Enable top management to understand the role they play towards cultivating good safety culture in the workplace
- Facilitate participants to prepare their own WSH policy

## Course Outline

- Overview of Workplace Safety and Health Act (WSHA) and subsidiary Legislation
- Introduction to Risk Management concept, bizSAFE Concept (including roles and responsibilities of RM Champion and WSHMS Programme Lead)
- How to create a conducive safety culture in the company
- Financial planning, balancing profitability and safety in the organisation. Business case studies, tangible and intangible consequence of an accident
